Taanishi kiiyawow? (How are you?),

Coming Events

We are hosting a Youth Conference for Métis youth 13-19 years on October 22, 2021. There will be some great activities, cool prizes and a chance to learn about Métis culture while contributing to building ideas about youth involvement for NIMA. Details and registration will be available soon.

NIMA will also be hosting a Women's and an Elders Conference in early 2022. Keep watch for more details.

Food hampers will continue to occur throughout the year and members will be notified closer to the date with the essential details.

On November 16th, we celebrate Louis Riel Day. Events are being planned for Campbell River and for the North Island. Once we have confirmed venues for the events, we will send out details about location, time and schedule of events.

Past Events

We are so glad that members are finding the emergency kits useful. We appreciate the kind messages and photos that you have sent us. Please feel free to send us your photos using kit items as we always love to see them.

If you haven't had a chance, watch the timelapse on Facebook of the kits being given out.
