DIRECTORS REPORT

Summary:

Entered the position as Youth Director in July 2021.

On October 22 2021, we hosted a youth conference at Robron Centre. The day was full of cultural teachings from Elder Bruce Dumont and Sheila Buchanan, and a brainstorming session about the future involvement of youth within our community. The results of the brainstorming have been compiled and will be used to help with the direction of programs and resources made available.

On February 16th, a youth social media account was created on Instagram. This account will have more information and posts that are directed targeted for the youth within our community.

The first youth advisory meeting was schedule for March 8th, however due to no registration it has been postponed. A new meeting will be set for later in April.
